##### Family life in England

Hi, my name is Craig. I am English because I was born in England, but I'm British because England is a part of Great Britain and is in the UK. I live in a typical English family. I have a father, a mother and a sister and we all live together in a house in the south-eastern part of England. At the back of our house there is a small garden. The day starts at about 7 o'clock when Dad and mum get up. We get up half an hour later. We have breakfast at 8 o'clock.

We all leave the house by 8.30. Dad goes to work. He works with computers. My sister and I walk to school. My mum has to take a bus as she teaches in a different school. I take a packed lunch to school, which contains things like sandwiches, fruit and a bag of crisps.

My favourite subjects at school are Science and History. My favourite topic in History is learning about ancient Egyptians.

We usually come back home at 4 o'clock. Dad gets home at about 6 o'clock. We eat together at about 7. I help mum to wash up after dinner. I also tidy my bedroom. In the evenings I usually do my homework before watching telly. Mum sometimes help me with my homework.

On Thursdays I go to karate and my sister goes to ballet on Wednesdays. I am a Cub Scout and I like going camping. I like building fire and cooking on it. It is fun sleeping in the tents too.
